Attention is called to the communica-
tion in another column of Dr. E. L.
Stewart, city health officer. While it is
an undisputed fact that Starke is one of
the healthiest towns in the State, yet with
impure water and poor sanitation disease
is liable to arise even here. Our citizens
should follow the suggestions made by
Dr. Stewart as far as possible and put
their premises in good condition.

The teeth should not be forgotten. The
value of good teeth cannot be overestima-
ted. Dental work properly done before
it is too late spares one a great deal of
pain, and will often preserve the teeth for
a life time. Long practice in dentistry,
as in all professions, makes perfect. I
have had the practice and can guarantee
good work. Office at residence south-
east of F. C. & P. depot. J. O. Haynes.

tions and best wishes.

What the Commissioner Says.

Tallahassee, Fla., July 31, 1894.
I take this occasion to say that Dr.
Simmons' Hepatine cured me of sickhead-
ache, and as long as the Medicine lasted
my wife and I found great relief when-
ever we had headache by taking it.
Yours very truly, L. B. WENDELL,
Commissioner of Agriculture, State of
Florida.

A Family Re-Union.

A re-union of the family of Mr. J. C.
Rimes, formerly a prosperous farmer of
the Worthington Springs section, but now
of Stockton, Cal., was held at Bethany
church in the western part of this county
on April 30th. The day marked the 70th
mile-post of Mr. Rimes' life and he was
surrounded by 117 children, grand and
great-grand children. Mr. Rimes and
Dr. Cron, the latter a former neighbor of
Mr. Rimes, were the founders of Bethany
church—at first a Primitive Baptist orga-
nization, but which, owing to the peculiar
doctrines taught and accepted, was after-
ward known as the "Coonites"—and this
fact, of course rendered the place a fitting
one for a re-union of possibly one of the
largest families in the state.

Mr. J. J. Rimes of this city is one of
a family of ten children reared by "Uncle"
Johnnie Rimes, as he is familiarly known,
and with his family was present at the
re-union.

While in Stockton, Cal., some time ago,
Thos. F. Langan, of Los Banos, that state,
was taken very severely with cramps and
diarrhoea. He chanced to meet Mr. C.
M. Carter, who was similarly afflicted.
He says: "I told him of Chamberlain's
Colic Cholera and Diarrhoea Remedy,
and we went to the Helden Drug Store
and procured a bottle of it. It gave Mr.
Carter prompt relief and I can vouch for
its having cured me. For sale by Starke
Drug Co.

Nankin is the largest walled city in the
world. It is at least 2,500 years old.

PROTECTION from the grip,
pneumonia, diphtheria, fever and
epidemics is given by Hood's Sarsapa-
rilla. Purifies the BLOOD.

The Old Friend

And the best friend, that never
fails you, is Simmons' Liver Regu-
lator, (the Red Z)—that's what
you hear at the mention of this
excellent Liver medicine, and
people should not be persuaded
that anything else will do.

It is the King of Liver Medi-
cines; is better than pills, and
takes the place of Quinine and
Calomel. It acts directly on the
Liver, Kidneys and Bowels and
gives new life to the whole sys-
tem. This is the medicine you
want. Sold by all Druggists in
Liquid, or in Powder to be taken
dry or made into a tea.

At EVERY PACKAGE
Has the Z Stamp in red on wrapper.
J. H. ZEILIN & CO., Philadelphia, Pa.

To the Citizens of Starke.

I take this means of calling your atten-
tion to the wretched, unsanitary condition
of our town. The chief (if not the whole)
source of infection from miasmatic dis-
eases is through the drinking water. It is
no secret that a great majority of wells
for drinking water in this town are not
only unsafe, but absolutely filthy. The
water you and your family drink fairly
teems with germs, bacteria and disease-
producing matter. The town says it is
not able to furnish us with pure drinking
water or a system of sewerage, so we will
have to take the matter in our own hands
as individuals. First of all clean up your
back yards (the front ones, as a rule, are
passable), remove as far as possible all
filth from your premises, then see that
your neighbor does the same thing. Use
a plentiful supply of quick lime on all
suspicious places, then, as a further pre-
caution, boil every drop of water for
drinking purposes, and, if you can afford
it, run it through a filter. A cheap filter
is made by putting alternate layers of
charcoal and sand in a keg or bucket.
Fit a faucet to lower part, pour the water
in the top and the filtering further puri-
fies it.

The county commissioners have inaug-
urated the "bucket" system of sanitation
at the jail. Now let's all join in an ear-
nest appeal to our city council to do the
same for us. The expense will be trifling,
the good incalculable.

E. L. STEWART, M. D.,
City Health Officer.

Lumber Notice.

I have in my yard at mill in Starke a
good supply of choice dressed lumber,
such as novelty siding, flooring, ceiling,
boat and cutting up stuff, also rough lum-
ber of different qualities and prices. For
sale for cash. Prices will be firm and
quality as shown.

Mr. Hope Farmer, contractor, of Starke,
will have it in charge, and will be pleased
to receive calls from anyone in want.

JAMES E. ELLIS, Agent
Starke, Fla., April 25, 1895.

In these days of telephone, telegraph,
and electricity and steam, people cannot
afford to wait days or as many hours for
relief. This is our reason for offering
you One Minute Cough Cure. Neither
days, nor hours, nor even minutes elapse
before relief is afforded. Starke Drug Co.

The "Blues."

Do you ever have the "blues"? Do
you know what they come from? Do
you want to know how to drive them
away? Listen:

The "blues" are simply a natural re-
sult of a disorganized liver. Your liver
secretes bile instead of discharging it.
The bile must be filtered from that which
is to make blood, and if not properly fil-
tered your blood becomes impure. Then
you feel wretchedly, and "Don't know why
you are so 'blue'."

Now, in two or three weeks time,
you can make yourself feel like a
new creature, with rosy cheeks, good
appetite, healthy bowels and sound
sleep at night.

Ask your druggist for **Ramon's
Tonic Liver Pills** and **Ra-
mon's Tonic Pellets**. These
are two separate medicines, in sepa-
rate boxes, but both together they cost
only 25 cents.

You will then have a sure treat-
ment which will not only cure your
biliousness but prevent constipation
in the future by strengthening your
digestive system.

At all dealers, or mail, for 25c., 6 boxes \$1.00.
